

CONFAP-CNPq-UK ACADEMIES: Fellowships, Research Mobility, and Young Investigator Awards for UK researchers in Brazil

Corrigendum n°. 2

Due to the spread of COVID-19, FAPESP decided to suspend the support to project that considers travels as essential items thought the Announcement FAPESP May 27th, 2020 (available on <http://www.fapesp.br/14256>). Therefore, on this round of the call for proposal CONFAP-CNPq-UK Academies 2019: Fellowships, Research Mobility, and Young Investigator Awards for UK researchers in Brazil FAPESP will not support the modalities Fellowship e Reseach Mobility.

2. Eligibility

h) **For submissions to FAPESP** the following criteria hold, according to the type of support aimed at:

h.1) **Research Fellowships:** the UK researcher must be associated to a FAPESP PI (co-applicant) in charge or as a principal investigator of an ongoing grant of the following types: Thematic, Young Investigator, Engineering Research Centers, Public Policy Research, or Research, Innovation, and Diffusion of Knowledge Centres. Please note that support will be Granted through FAPESP Visiting Researcher Grants (www.fapesp.br/147).

h.2) **Researcher Mobility,** support will also be through Visiting Researcher Grants (www.fapesp.br/147): there must be a host researcher (co-applicant) in the State of São Paulo, but not necessarily in charge of an ongoing FAPESP grant.

h.3) **Young Investigator Grants:** the UK applicant must have a PhD or equivalent title, an outstanding research track record, and typically 2-5 years.

h) **For submissions to FAPESP** the following criteria hold, according to the type of support aimed at:

h.1) **Young Investigator Grants:** the UK applicant must have a PhD or equivalent title, an outstanding research track record, and typically 2-5 years.

3.1 Fellowships

3.1.1 For UK researchers aiming at receiving support from FAPs **outside the State of São Paulo.**

Fellowship support is offered through two categories for a period of 6 to 36 months:

a) For Young Researchers:

- A monthly scholarship of R\$ 7,000.00
- Airline ticket (round trip and economic class) and travel insurance
- Scholarship for one undergraduate student to assist the researcher
- Grant in the amount of R\$ 25,000.00 each six months

b) For Senior Researchers:

- A monthly scholarship of R\$ 10,000.00
- Airline ticket (round trip and economic class) and travel insurance
- Scholarship for one undergraduate student to assist the researcher
- Grant in the amount of R\$ 25,000.00 each six months

3.1.2 For UK researchers aiming to receive support from FAPESP, to work in a University or Research Institute **in the State of São Paulo.**

In the state of São Paulo fellowship support is offered through **FAPESP Visiting Researcher Grant for a single period to a maximum of 12 months.** As mentioned, the UK researcher must be associated to a FAPESP PI (co-applicant) in charge of an ongoing grant of the following types: Thematic; Young Investigator; Research, Innovation, and Diffusion of Knowledge Centres; Engineering Research Centers or Public Policy Research (more details at <http://www.fapesp.br/en/visiting>):

- A monthly scholarship with value ranging from R\$ 10.830,00 (Young Researcher) to R\$ 16.110,00 (Full Professor). The level of payment is to be suggested by the host investigator and confirmed by FAPESP upon merit review.
- One return airline ticket and travel insurance.
- Scholarship for one undergraduate student to assist the researcher.
- Grant to the host PI with whom the visitor will be associated: the host PI may request FAPESP supplementary funds up to R\$ 25.000.00 for every six months of stay of the visitor. These funds are to be used for research related expenses with consumables, services, and travel.
